

# Flats

Flats, flats, flats,  
We all live in flats.  
High flats, low flats,  
All kinds of flats.

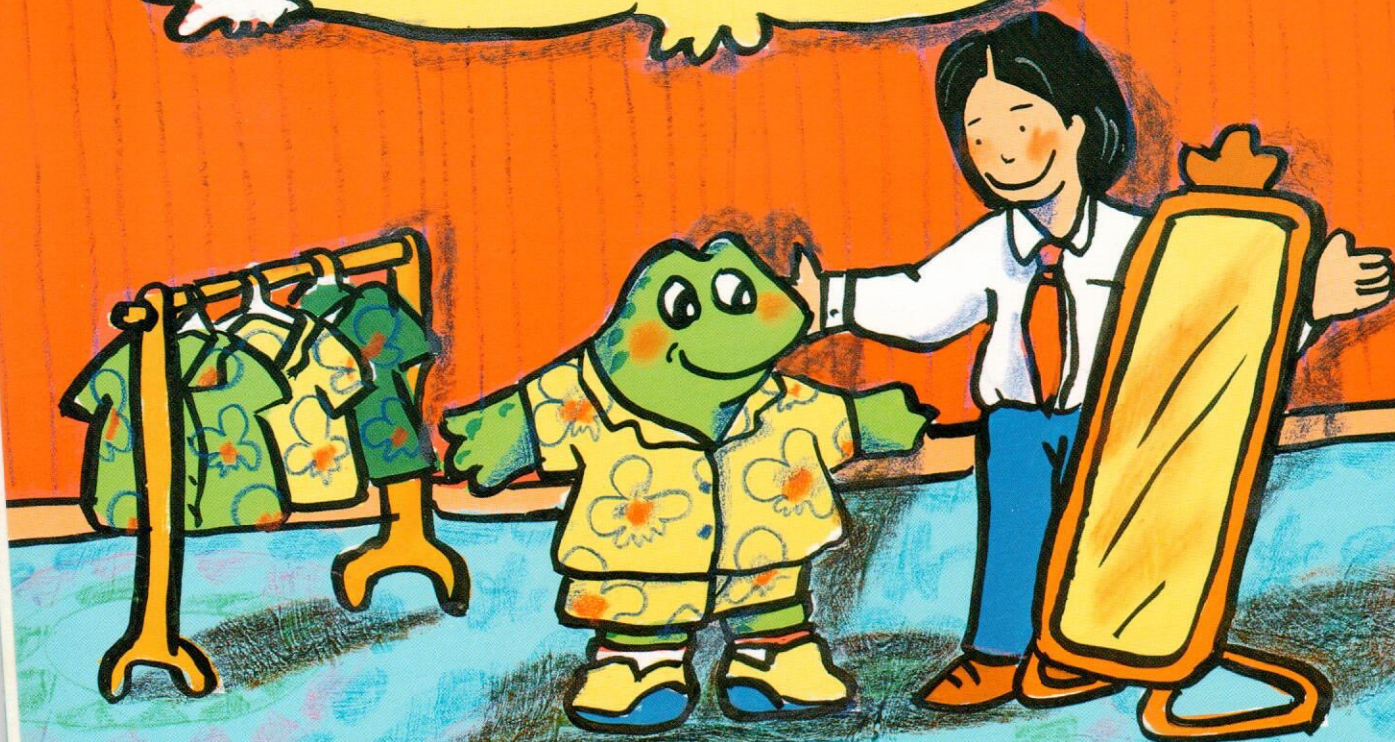

I live in Toa Payoh,  
You live in Hougang.  
Uncle lives in Ang Mo Kio,  
Aunty lives in Choa Chu Kang.

Flats, flats, flats,  
We all live in flats.  
Big flats, small flats,  
All kinds of flats.

# Going Downtown

Mr Frog, Mr Frog, all dressed in green,  
Off to Orchard Road to buy blue jeans.  
The Salesman said, "Sorry, Sir, I don't have your size,  
But I have something you'll find very nice.  
How about orchid shirts and shorts to match?  
Makes flies easier for you to catch."

Mrs Frog, Mrs Frog, dressed so fine,  
Going to a restaurant to wine and dine.  
"Now, Mrs Frog, Madam," the Waiter smiles,  
"How about fried garlic ants, Singapore-style?"  
"No, no, no, serve them fresh," she said,  
"Don't give me food that's very dead."
